

Gas Turbine Summer Undergraduate Research Fellowship Sponsored by Rolls-Royce Inc.

Attention ME or AOE freshman and sophomores with a GPA > 3.5 and an interest in aerodynamics, heat transfer, fluids, or turbomachinery.

Dr. Ng's group is looking for a motivated and dedicated student to fill a full-time research position for Summer 2008. Some LabView, MATLAB, or hands-on experience is a bonus.

STUDENTS WHO APPLY MUST BE INTERESTED AND HAVE A STRONG DESIRE TO WORK AT ROLLS-ROYCE, INDIANA AS A CO-OP OR SUMMER INTERN.

Please submit resume to Clayton De Losier at clayray7@vt.edu
