</tr>
</tbody>
</table>

If you have previously applied to take the exam and are using this form only to change your problem area selection, please initial here: _______

By signing below, I declare that:

1. I intend to take the Mechanical Engineering Department Ph.D. Qualifying Exam in the problem areas shown above on the dates shown above.
2. I have received the Ph.D. Qualifying Exam “Announcement and Policies.”
3. I have read the exam policies and concur with them.

Student Signature: ______________________________ Date: _______________________

Return this form to Ms. Annette Ben-Tzvi (104 Randolph Hall) on or before October 12, 2018.

This section pertains only to those students who are requesting a “special problem”. If you are not requesting special problems, you do not need to read any further.

Under special circumstances you are allowed to select one “special” problem area as a substitute for one of the seven ordinary problem areas. The special problems are intended for those students who have an undergraduate background that is significantly different from Mechanical Engineering.

If you wish to receive special problems, you must fill out a Special Problem Request Form (Form B) and return it with this form to Ms. Annette Ben-Tzvi (104 Randolph Hall) on or before September 21, 2018.

A Committee will review your request and give you their decision by September 28, 2018.
